

NEW YEAR – NEW VISION

May we firstly take this opportunity of wishing all of our customers a prosperous 2008.

2007 has been a year for change for us here in the UK office of Container Centralen.

Phil Squance took over the reins as Managing Director at the beginning of 2007, many of you will already know Phil since he has been with **CC** for almost ten years.

Brad Louw joined **CC** in April 2007 coming from a horticultural and transport background and some of you may also know Brad from his time at Coletta & Tyson. Brad will be representing **CC** at several exhibitions in 2008 (GAN, Fruit Focus, Kildare Growers and Four Oaks) so please go along and say hello. Since Brad joined **CC** he has been very busy visiting both new and existing customers throughout the UK.

UK Office on the Move

As from the 18th January our new address is:

**Suites 7 & 8 – Ground Floor
Hawley Manor
Hawley Road
Dartford
Kent
DA1 1PX**

Our New Telephone Number is: - 01322 294267

Our New Fax Number is: - 01322 225290

Our email remains the same:- ccuk@container-centralen.com

M & G Trolleys Ltd

As of January 2008 M & G Trolleys Ltd in Erith will no longer operate as a **CC** Depot, they will solely remain as the central UK repair workshop. All hire of **CC** Stock will therefore need to be collected and returned to one of the **CC** regional depots. M & G Trolleys Ltd will only be able to accept broken stock for repair. We would like to take this opportunity to thank M & G Trolleys Ltd for their past co-operation with **CC** Ltd.

Depot Network

Our regional depot network is increasing and we are pleased to announce that we have depots in the following areas:-

Taynuilt, Argyll – Carluke, South Lanarkshire (sub-depot) – Southampton, Hampshire – County Kildare, Ireland – Saul, Gloucestershire – Pershore, Worcestershire – Moggerhanger, Bedfordshire – Knutsford, Cheshire – Wisbech, Cambridgeshire (sub-depot) - N.B Sub depots hold a limited amount of stock.

As always please contact the **CCUK** office so that a worksheet can be raised to enable you to book in your vehicle directly with the depot for a specific day / time. At least 24 hours notice is required at all depots.

CC Intranet

As an innovative leader **CC** is actively progressing forward with many additional services and new products. Developments within the horticultural industry are moving fast and all at **CC** are working hard to meet the ever increasing requirements of our customers.

With offices throughout Europe and access to a vast depot network, **CC** offers many additional services to our customers, including virtual transfers of stock, one-way hire and the administration of your trolley balances with your partners. To find out more about all the services offered by **CC**, please visit the **CC** website www.container-centralen.com. Alternatively please contact the UK office for more information and we will be happy to arrange for the relevant literature to be sent out to you.

If you are able to receive information in a PDF format and would like to receive any of the following electronically:

- Depot Locations
- Health & Safety – Handling of **CC** Containers / Stacking Information
- Newsletter
- Current price lists
- Quotations

Please email: ccuk@container-centralen.com, to be added to our electronic customer mailing list.
