

Get the RTIs you need ...

... only as long as you need them.

## CC Hire Services

**We offer hire services for every need**

CC offers a range of different hire services so that you can choose the one that suits your needs the best. Choose from the different hire services below.

### **Long-Term Hire**

With long-term hire, you pay one fee for a long-term hire contract in one go. This allows you to use a given amount of RTIs\* throughout the entire hire period. Following the initial payment, you only have to pay a modest annual pool fee, which also covers repair and maintenance.

### **Short-Term Hire**

You can benefit from short-term hire along with a long-term hire contract that covers your basic needs. Short-term hire covers contracts of 12 months or less – all down to day-hire. This sort of hire is especially applicable if you need additional RTIs during peak seasons or for campaigns. We always carry a substantial stock of RTIs to cover your needs at short notice.

### **Short-Term Hire – Inter-continental**

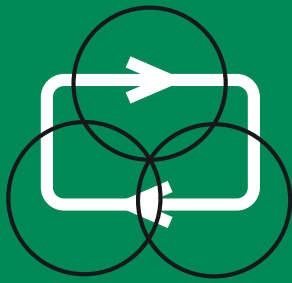

If you have long-distance shipments to Europe or North America from other continents, the inter-continental short-term hire will be a constant time efficient solution for you. When you ship CC RTIs to Europe or North America, you can easily return your empty RTIs to the nearest local CC Depot or to another one of our approved locations.

CC works with the most competitive transport companies in order to ensure the best availability at the best possible prices.
