

Sådan bestiller man en returnering i i Loglink (version marts 2018)

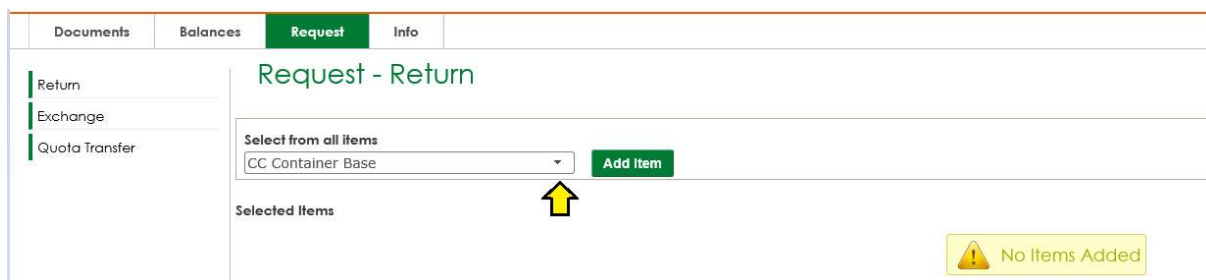

- Log ind på www.cclink.com
- Klik enten på **Request** -knappen øverst på skærmen og derefter på **Return** eller på **Click here to return items to a depot**.
- Hvis du vil indlevere ødelagte CC Container- hylder, kan du se den reparationskvote, du har tilbage i højre side af skærmen under **Repair Quota Details**.

The screenshot shows the Loglink dashboard with the 'Request' tab selected. On the left, there is a sidebar with navigation options: All, Collection, Return, Contract, Exchange, and Transfer. The main area has a 'QUICK LINKS' section with two links: 'Click here to return items to a depot' (circled in red) and 'Click here to exchange broken material'. To the right, there is a 'Repair Quota Details' table with the following data:

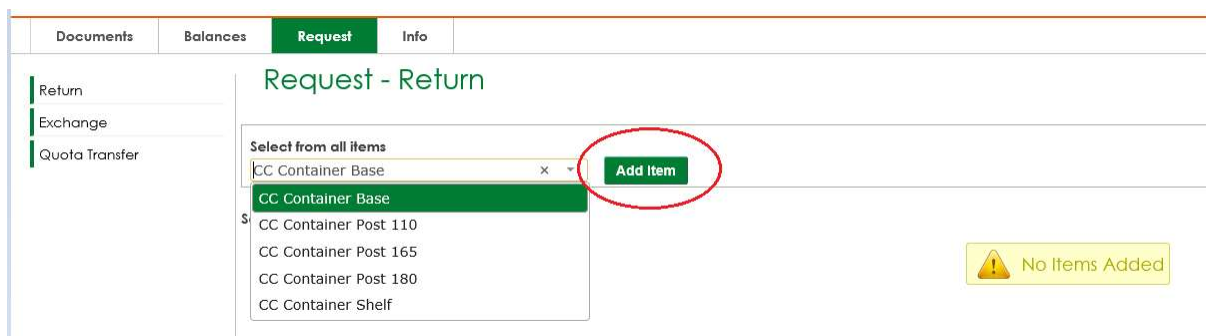

Repair Quota Details	
Allocated Quantity	160655
Used Quantity	0
Transferred Quantity	0
Available Quantity	160655

Skærmen Anmodning - Returnering åbner, og du skal vælge de emner, du vil returnere. Du kan åbne en liste over de emner, du kan vælge, ved at klikke på drop-down menuen:

The screenshot shows the 'Request - Return' form. The 'Select from all items' dropdown menu is open, showing 'CC Container Base'. The 'Add Item' button is highlighted with a yellow arrow. Below the dropdown, there is a 'Selected Items' section and a yellow warning box that says 'No Items Added'.

Klik på det emne, du vil returnere, og tryk på **Add Item** -knappen

The screenshot shows the 'Request - Return' form with the 'Select from all items' dropdown menu open. The dropdown menu lists the following items: CC Container Base, CC Container Post 110, CC Container Post 165, CC Container Post 180, and CC Container Shelf. The 'Add Item' button is circled in red. Below the dropdown, there is a 'Selected Items' section and a yellow warning box that says 'No Items Added'.

Når du vælger CC Container Base, vælges automatisk også CC Container Shelf samt CC Container Post 180, og den CC Container Shelves-kvot, der er til rådighed, bliver vist.

The screenshot shows the 'Request - Return' form. At the top, there's a 'Select from all items' dropdown with 'CC Container Base' selected. Below this is a 'Repair volume break up for CC Container Shelf' section with a pie chart showing '160655' available volume. To the right, a table shows 'Allocated Repair Volume' (160655), 'Already Used Volume' (0), and 'Transferred Volume' (0). The 'Available Volume' is 160655. Below this is a table of 'Selected Items' with columns: Item, Item Name, Item Quantity, Item State, and Remove. The items are CC Container Base, CC Container Shelf, and CC Container Post 180. The 'Item Quantity' and 'Item State' columns are circled in red. At the bottom, there's a 'Planned Return Date' field and an 'Enter Customer Contact' field.

- Udfyld **Item Quantity** for hvert enkelt emne.
- Vær opmærksom på, at status for CC Container Shelves er "ødelagt" som standard. Hvis du vil returnere ikke-ødelagte hylder, skal du ændre **Item State** fra ødelagt til ikke-ødelagt!
- Du kan tilføje flere emner ved at vælge andre emner fra "Vælg blandt alle emner-feltet".
- Hvis du ønsker at fjerne et emne fra listen over valgte emner (hvis du f.eks. kun vil returnere CC Container Bases), kan du fjerne de øvrige emner ved at klikke på **affaldsspand-ikonet** under "Fjern" for det aktuelle emne.
- Indtast den planlagte returneringsdato ved at vælge datoen på **kalenderknappen** i **Planned Return Date**-feltet.
Bestillingen skal afgives senest 24 timer, inden du ønsker returneringen.

The screenshot shows the 'Planned Return Date' field with a calendar widget open. The date 18/04/2018 is selected. The calendar is circled in red. Below the calendar, there's a 'Carrier Details' section with fields for 'Carrier Name' and 'Licence Plate'. To the right, there's a 'Return Reason' dropdown menu and an 'Enter Internal Remark Here' text area.

- Du vælger det depot, hvor du ønsker at returnere til, på **drop down-menuen** i **Select Return Depot**-feltet.
